

Reauthorization Charter of the Society for Conservation Biology

Working Group

If signed, this Reauthorization indicates that all terms of application for term extension have been met and this Working Group has been approved by the Board of Governors of the Society for Conservation Biology for an additional 3 year term.

Article I. Name of Working Group

The name of the Working Groups is the:

Working Group (hereafter referred to as “the Working Group”) of the Society for Conservation Biology (hereafter referred to as “the Society”).

Article II. Scope of Working Group

Please provide a brief description of the purpose of the Working Group (1 -2 sentences):

Article III. Term of Working Group

Based on SCB policies ratified by the Board of Governors in July 2007 this Charter reauthorizes this Working Group of the Society for Conservation Biology for the duration of three years from the date of ratification indicated below. At the end of the official term the Working Group may apply for reauthorization with the Board of Governors by submitting a report on the first three years of official activity and a proposal for the next term of three years with any additional necessary documentation.

Article IV. Proposal

The Working Group shall submit with this document a report of the activities of the Working Group in the previous three years, a description of proposed activities of the Working Group in the next three years and updated Bylaws. This information and additional information compiled during the previous term will be used to determine the applicability of the Working Group to the Society’s Strategic Goals and for reauthorization if appropriate. These documents will be archived in the Executive Office.
